ASSIGNMENT

This Assignment is effective as of May 31, 2007. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, Mark W. Grinstaff, of 49 Beals Street #1, Brookline, MA 02446; Jesse Wolinsky, of 15 Auburn Street, Brookline, MA 02446; and Aaron Griset, of 64 Dexter Street #1, Medford, MA 02155; by obligation preexisting the application filing date noted below, hereby assign to: THE TRUSTEES OF THE BOSTON UNIVERSITY, a corporation of Massachusetts, having a place of business at One Silber Way, Boston, MA 02215; and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are the subject of and described and/or claimed in a non-provisional application for United States Patent, entitled FILMS AND PARTICLES, filed May 31, 2007, and assigned U.S. Serial Number 11/756,587; this assignment including said application, any and all United States and foreign patents, utility patents and models, continuations, continuations-in-part, divisionals, reexaminations, reissues, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and this assignment also including, without limitation, any claims (known or unknown, suspected or unsuspected) of any nature that we have or may have against any party for infringement of any of the patents and patent applications listed herein, and the right to sue for past infringement and to recover and retain damages and profits in respect thereof; and

we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations, and like rights of exclusion and for inventors' certificates for said inventions and improvements; and

we hereby covenant and agree that we will communicate to the Assignee or nominees all facts known to us pertaining to said inventions and improvements, and we agree for ourselves and our respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, reissues, Preliminary Statements, and other lawful documents, testify in all legal proceedings, make all rightful oaths and declarations, and in general perform or cause to be performed all lawful acts necessary or

proper to aid the Assignee or nominees in obtaining, maintaining, and enforcing all lawful patent protection for the inventions and improvements in the United States and in foreign countries; and

we hereby covenant that we have the full right to convey the entire right, title, and interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith.
